

**THE GST TEACHER CENTER PRESENTS  
A CONFERENCE DAY FOR SPECIAL AREA TEACHERS  
MARCH 20, 2020**

**PHYSICAL EDUCATION TEACHERS**

**C-PP High School Gym**

**Facilitator:** Dawn Shanks, Campbell-Savona

**AM Session:** 8-11

**PM Session:** 12-3

**Physical Education Teacher Networking**

An interactive day to share ideas/lessons that will engage students and grow your PE programs.

**\*\*If you are interested in sharing a lesson please contact Dawn directly at [dshanks@cscsd.org](mailto:dshanks@cscsd.org)**

**ART TEACHERS**

**C-PP High School Room F118**

**Facilitator:** Kathy Pilling-Whitney, Elmira

**AM Session:** 8-11

**PM Session:** 12-3

**Using the NYS Standards Enduring Understandings and Big Ideas with Lesson Plans**

Art teachers will explore the unique construction of the new NYS standards (how are they different from the old standards} by brainstorming the big ideas they already use, comparing the NYS Standards Enduring Understandings in the arts to the Big Ideas of the human condition and determine how we may use these in constructing lesson plans.

**Please be prepared to share and discuss your lesson plans/ project ideas by bringing some of your favorite lesson plans.** You do not need to bring plans for everyone, just as a reference for yourself. We will review these in the context of the NYS Standards, the Enduring Understandings and Big Ideas.

**Parking at Corning High School:** Park in large back lot at fieldhouse entrance; follow odd/even parking signs if parking on the street.

# **VAPING ME CRAZY**

**C-PP Middle School Auditorium**

**Afternoon Session: 1-2:30**

**\*\*Open to ALL school staff\*\***

**Facilitator: Michael DeLeon, Scared Straight**

This session will enable participants to understand the history of electronic nicotine delivery systems (ENDS) and their prevalence among youth, the evolving of these devices as drug delivery systems, and the health consequences, especially respiratory disease unfolding among our adolescent and young adult populations. Implementing policies and procedures to address this epidemic at school and at home and understanding solutions to address adolescent addiction, especially to nicotine, will be discussed.

---

**You are welcome to register for AM and/or PM sessions—if you are needed in your district for a part of the day, you are still welcome to participant in our offerings when you are available.**

Participants can register in PDTracker or via email to [teachercenter@gstboces.org](mailto:teachercenter@gstboces.org).  
Please follow your district protocol for registration.
